

Academic staff

Academic Positions (Pre- or Postdoctoral Level) (full-time or 2 x part-time 50 %, E 13 TV-L)

Reference number: 2024/028. The position is to be filled as soon as possible and is initially limited until 31/12/2025. In principle, this position can be divided into two part-time positions.

The University of Konstanz is one of eleven Universities of Excellence in Germany. Since 2007 it has been successful in the German Excellence Initiative and its follow-up programme, the Excellence Strategy.

The research focus of the **Psychological Assessment and Health Psychology group** is on psychological determinants of individual and collective health behaviors, emphasizing dietary and sustainability behavior.

We are part of the Cluster of Excellence "Centre for the Advanced Study of Collective Behavior" ("Collective Appetite").

Your Responsibilities

- Contribute to our research on health behavior (eating behavior) and sustainable nutrition as well as to our research project "Collective Appetite"
- Application and development of new and digital methods for behavioral assessment and behavioral design
- 2 SWS or 4 SWS teaching in the field of psychological assessment and health psychology

Your Competencies

- Excellent or very good PhD or Master/Diploma or Bachelor's degree with fast track option in psychology, public health or behavioral science
- Skills and/or experience in teaching health psychology and/or psychological assessment
- High motivation to conduct high-quality research in healthy psychology and behavioral design
- Excellent training in methodology and statistics
- Experience in data collection, management and analysis (e.g. R, SPSS, Mplus)
- Independent work, high personal engagement, communication and cooperation skills

We Offer

- An open, motivated research group with interdisciplinary interests (psychology, computer science, biology)
- Latest assessment and intervention methods and technologies (e.g. 3d Human Behavior Tracking Lab, mobile and smart intervention technologies)
- Research at the interface between basic and applied research
- Work in fabulous environment
- Classification according to the tariff regulations of TV-L (depending on the personal prerequisites up to pay group 13 TV-L)
- Opportunity for a PhD degree is provided

For further information, please get in contact with Prof. Britta Renner, phone +49 7531 88-4679, britta.renner@uni-konstanz.de. For more information on the healthy psychology group, please visit: www.health.uni-konstanz.de

Please arrange your application documents into a single PDF file to submit your application at the latest on **15 March 2024** via our [Online Application Portal](#).

The University of Konstanz is committed to ensuring an environment that provides equal opportunities and promotes diversity as well as a good balance between university and family life. As an equal opportunity employer, we strive to increase the number of women working in research and teaching. We also support working couples through our [dual career programme](#). Persons with disabilities are explicitly encouraged to apply. They will be given preference if appropriately qualified (contact sbv@uni-konstanz.de, + 49 7531 88-4016).
